Respected Sir/Madam,

Sub: Electricity disconnection application.

My name is SHIVARUDRAIAH, have a house in Kailancha no 67, Kailancha Hobli, Kailancha. From last 3 years we are not making use of power, because the house is very old, it is not fit for staying. Since we don't live in this house, we don't need any power supply.

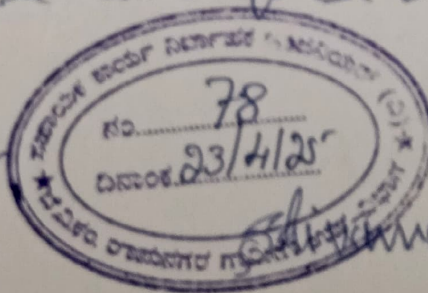

For this reason, we request you to disconnect the electricity supply to our house permanently. This saves us from our monthly electric bills. I hope you will take quick action on this.

Thanking you,

To, SSO Sub
