Ref: - 1.AEE/ AE(T)/VSR/2025-26/318 Dated: 30-05-2025

2.Consumer letter dated: 28-03-2025.

3. AEE/HTR/DECOMISSION REPORT DATED 23-05-2025.

\*\*\*\*\*

The HT consumer bearing RR No CDPHT-283 installation in favour of "M/S PRISM CEMENT LTD", has submitted an application for accepting the surrendering of the HT installation. The Assistant Executive Engineer (Ele), Veersandra Subdivision has submitted the application along with a field report stating that the installation was disconnected on 23-05-2025 at the request of the consumer.

Under the circumstances explained by the consumer of RR No CDPHT-283 vide application dated 28-03-2025 approval is hereby accorded to surrender the HT installation bearing RR No CDPHT-283 of "M/S PRISM CEMENT LTD", with a contract demand of 150 KVA. Meanwhile, the consumer has paid all the arrears. The agreement entered between the consumer and BESCOM is hereby terminated with immediate effect.

Necessary decommissioning tests has been carried out by MT staff on 23-05-2025 and accordingly final bill has been prepared and collected. The Surrender shall come into effect from the date of HTR Decommissioning date which is: 23-05-2025.

Executive Engineer (Ele),  
BESCOM, Chandapura Division.
