**Subject:** Request for Settlement of Electrical Bill from Security Deposit (SD) Amount due to Permanent Disconnection of Temporary HT Electrical Supply connection of 700KVA contract demand load to Crusher Plant, Account ID: 5512720/RR Number: MLRHTTP460/Tariff: HT5.

Respected Sir,

We hereby request you to adjust and settle the pending electrical bill from the Security Deposit (SD) amount available of the temporary electrical power supply HT connection of 700KVA contract demand load provided to our crusher plant located at SKYLARK INFRA ENGINEERING-0.312/1.312/3, 314/1,316/2,316/3 & 316/6 LAKKUR VILLAGE, MALUR TALUK. KOLAR DIST-5631600, under Account ID: 5512720/RR Number: MLRHTTP460/ Tariff: HT5/Contract Demand Load:700KVA.

The operations at this crusher plant have been permanently shut down, and as such, we no longer require the electricity connection. We request you to please process the balance SD refund, if any, after settlement of all dues as per norms.

Thanking you and assuring you the best of our services all the time.

Yours Faithfully,

For S&P – SIEPL JV
